

PHOTOGRAPHY HISTORY

Photography had an early start in Heber when William Willis and his wife opened a studio in a cabin near their home on 482 S. Main. Later they built a new studio on the site presently occupied by Chick's Cafe. Many treasured pictures in old family albums were taken by Mr. and Mrs. Willis. Mrs. Willis learned the art from her husband and then operated the shop while he studied law and became a prominent attorney. Leslie Condon took over the business from the Willis', but did not maintain it long. Another photo studio was operated for a short time by Mr. and Mrs. Harold Pool in the Avon Theatre building. Now Don Barker does the photography work of the valley.
